

PAINT NIGHT

Our neighbors at ARTI-Culture in Hollister will be leading us here in the Library during our first paint night of the year. **Join us Thursday April 11 from 5 pm - 7 pm** as we pay homage to our annual cactus and succulent show. We'll be inviting other artists throughout the summer

to celebrate all the best parts of San Juan Bautista. We hope that some of our participants will be willing to show off their work during the 150th weekend celebration in September.

Price is \$25 per participant. Materials included. Checks can be made out to Arti-culture or can be purchased by credit card online in our event post on Facebook.
